

ROUND 8 – Saturday 1st June – Match Report AJAX vs Ormond

Day started brightly for the Jackas with an early set shot goal to Nico Cohen. AJAX had all the attacking early in the first quarter, especially a bone crunching tackle inside 50 by Reece Israel. All of the good work came undone as the visitors countered to kick two quick goals to take a 3 point lead as quarter time approached. Right before the siren, the visitors kicked another to take a 9 point lead at quarter time. Second quarter started nicely with the first goal well finished by skipper Nick Lewis. We got the lead back thanks to a Eugene Routman goal, however the visitors answered our early goals with one of their own to regain the lead. After a quiet second quarter, Ormond took a 1 point lead at half time. The third quarter got off to a flyer with a second goal to Nico Cohen to give us an early 5 point lead. But just like the first two quarters, Ormond responded with two quick goals, putting the pressure back on us. The response came from Reece Israel who slotted a goal from the goal square after a 50m penalty was awarded. After a tight affair throughout the third, the visitors lead by a point going into the last. Fourth quarter didn't start well for the Jackas with an early goal to Ormond. The goals kept on coming for the visitors as they kicked away with 6 last quarter goals to win by 39 points. A disappointing result seeming as though the game was there for the taking. Now we have a much needed bye to get ourselves prepared for a big second half to the season.

AJAX next take on PEGS at PEGS Sporting Fields, Keilor Park June 15 at 2:00PM.

This week's Thirds was all about belief. Belief in each other and belief in the structures that the team has been building towards. Following an intense off-field session at training the playing group came onto the field against Monash fired up with a renewed sense of purpose both in themselves and each other. Each player knew their strengths and if every player committed to their role then a win was only 4 quarters away.

The first half was fought tooth and nail with Daniel Wein a standout with two quick goals following outstanding clearance work from Tela and Zev. Yakir was again a huge target kicking multiple goals. With only one goal separating the team at half time, Josh Jones led the team into the rooms and spoke passionately about taking the game on in the second half. Zev reminded the team that new structures would always come with mistakes and if we took the game on then the win was ours for the taking.

The second half started strongly with Josh Jones outstanding in the ruck winning multiple hitouts while the tackling pressure from Raf, Krinsky and Barr-Wonders put Monash consistently under pressure. A small fade out at the end of the 3rd quarter saw the team go behind going into the last change. Inspiration comes in many ways but the 4th quarter saw the leaders of the team step up and break the game open. The returning Tim Davis made a huge impact while Tela's clutch goal from 40m out ended the game. A 4pt win and a huge lift going into the long weekend will see the Thirds ready to push towards finals footy at the back end of the season.

Thirds – 12.11 (8 3) def Monash Blues 5.7 (37) – Goals: Havin 3, Wein 3, Jack Jones 2, Josh Jones, Teleshevsky Best: Teleshevsky, Wein, Havin, Wein, Barr-Wanders, A. Herzberg

Next Thirds game is to be confirmed.

The undefeated U19 team came out firing as usual on our home turf. The undefeated Jackas playing bottom of the table Old Paradians. The U19s played a solid first half with exceptional halves from Matthew Lincoln and Blake Kagan. Whilst we lead the game on the field and the scoreboard, Old Paradians didn't stop fighting. They were not strong enough however as the U19 Jackas drew their lead out to 12 goals by the final siren to push their undefeated streak to 8-0. Well done to all U19 boys on another great win.

U19s – 17.8 (110) def Old Paradians 5.8 (38) – Goals: N. Micmacher 4, M. Lincoln 4, B. Efron 3, B. Schauder 3, M. Hendel 2, O. Levi-Weitzman Best: B. Kagan, M. Lincoln, F. Shulman, B. Schauder, B. Efron, N. Webb

Next Under 19s are away against St Bernards at St Bernards College at 11:40 AM on June 15.

The Jackettes continued their winning ways with a resounding 10 goal victory over St. Bernards. The girls were relentless from the first bounce and were ferocious with their attack on the ball. The team had plenty of motivation this week, with winger Al Fleiszig playing her 50th game and Isi Burstin playing her last game for the season before leaving for an overseas trip. It started with Smart (3 goals) dominating the rucks and supplying Worth, Marget and I Burstin with plenty of the ball. Their run and carry into the forward line was instrumental in setting up many attacks. Nankin was superb in the air marking everything in sight and slotting home 2 goals. The Jackettes defensive structure was impenetrable with Gabriel, Abraham, Grek and Caplan all outstanding Gdanski chipped in with a great left foot snap at goal and M Burstin never stopped presenting. All round it was an excellent team performance with some of the first year players Mitchell, Simmons, Norris and Klooger starting to find their way. The team is looking forward to the weeks break, before resetting for the second half of the season.

Jackettes – 10.10 (70) def St Bernards 0.5 (5) - Goals: M. Smart 3, L. Nankin 2, G. Mendelow, L. Gdanski, J. Israel, I. Worth, H. Mel Best: L. Nankin, M. Smart, D. Abraham, M. Grek, I. Burstin, I. Worth
