Men's Vic League 3	Round 9 Maccabi 0 - 5 Echo	<p>The Maccabi boys travelled to Koonung Secondary on Monday night but could not get the win against a fit Echo team, going down 5-0 in a tough game.</p> <p>Echo came out of the gate hard, pressuring the Maccabi defence from the opening whistle. Sweety and Watson defended strongly, keeping out numerous quick breaks, but lapse maning up cost the away team early conseeding 2 early goals from long corners. While Maccabi improved their game into the second quarter, they could not do anything in the forward 25. Echo continued to challenge the Maccabi team on the counter scoring a further 3 to go into half time 5-0 up.</p> <p>A stiring talk from Captain LL Cool J got the team going in the second half. The team continued to take control through the centre with Bogs and Tyce having a greater influence on the play. BJ and Carp began to find more of the ball, making strong runs along the wings. However Maccabi weren't able to capitalise on their periods of dominance with the team unable to find the poise to get any meaningful shots away on goal, with the few shots taken either flying well wide or meakly rolling straight at the keeper. Strong defending from the full backs, as well as Bloomy, Elijah and Sleeman and good keeping from Damo stopped the home team from scoring any further goals, with the half finished as it started with the score 5-0.</p> <p>While the Maccabi team showed signs and were ascendant for large portions of the game, their inability to score once again hampered any chance they had of winning the game.</p>

Men's Metro B	Round 9 Maccabi 0 - 5 Melb Uni	<p>Sunday's game had the 2's playing against a solid Melb Uni side in an away fixture. It was a great start to the day as big Shaiga miraculously turned up sober and his first half performance was full of energy as he and Ugi were tracking some very technically gifted wingers on the Melb Uni side. The composure at the back from Trig, Darren and Joel provided some much-needed experience and kept the opposition fairly quiet. Despite our best efforts, Melb Uni scored 3 quick goals with Damian pulling off some miraculous saves that would even impress Yoda. Up in attack we were graced with the presence of Ben who with Danny made numerous lung bursting runs and created a plethora of chances. They were frequently supplied by the regularly concussed duo of Niv and Ilan whose energy kept the game ticking. However, despite the team's efforts and Ronen's attempt to distract the opposition's defence with a very poor South African accent, we could not prevent Melb Uni scoring another 2 goals. Overall, large signs of improvement have been showed and we look forward to next week.</p> <p>- Yoda</p>

<p>Women's Metro B</p>	<p>Round 9 Maccabi 1 - 0 Essendon Red</p>	<p>Maccabi defeated 3rd place team Essendon Red 1:0 goal scorer Shani Borowick.</p> <p>Maccabi started strong and attacked for most of the first half. 3 short corners and plenty of opportunities to score. Essendon Red did not know what hit them as these maccabi maidels were focused and ready to play.</p> <p>Steph controlled the centre . Tali has some great runs up the right hand side as did Ari. Dani seemed to be everywhere today and created many turnovers. Shani's goal came off a turnover she created deep in our attack and then convincingly beat the keeper.</p> <p>Ana , Timna , Maddie , and Tali , we're all strong in defence. Ana &amp; Timna seemed to be everywhere today .</p> <p>With Timna producing the goal save of the match late in second half. Big shout out to Maya who played one of her best games this season. Under 12s	Round 6 Maccabi 1 - 1 Southern United	U12s had a fantastic game on Sunday, drawing with Southern United in a 1 - 1 thriller. The juniors held up against a very skilful team and as the ball was run from end to end the under 12s held up against the pressure of a top side. The only goal came from a great cross across the baseline and was slotted in to put the Gunnies little Guns ahead. But Southern United were not done and last in the first half they evened the score. It was to stay that way until fulltime in front of a big crowd. Chances were had by both sides but none were converted. The team hold much promise for future games....
