Jemima Montag (1 hour 30 min 51 sec) clocked a 35 second pb in finishing second to Queensland young gun Katie Hayward in the Australian 20K race walk championship held recently in Adelaide in a fantastic performance. We are hoping that the time and place will see Jemima selected to represent Australia at the World Championships and the World University Games later this year.

Also competing at the Australian race walk championship, in the men's 20K event, was club member Jason Kozica who finished a very impressive 7th in Australia.

A number of athletes competed well at the Box Hill Classic recently. Shanie Landen came 6th in the women's A grade 800m (2min 12.02 sec), 14 year old Jarrod Zuchowski ran 2 fine races clocking 2 min 16.24 in the 800m then backing up shortly after for a terrific 10min 13.3 sec in the 3K and it was nice to see Sam Spicer back on the track with a 9min 26.9 sec 3K time.

Ori Drabkin (800m and 200m) and Myer Vorchheimer (triple jump and 200m) represented the club at the final Shield round for the 2018-19 season last weekend at Nunawading.

More Club News

Great to see 11 of our athletes have entered the Victorian Track and Field Championship to be held at Lakeside, which commence on the weekend of the 1st March 2019 and continue over the following weekend.

Also good to see Myer Vorchheimer has entered the Masters Track and Field champs to be held later in March.

Shanie Landen and Jarrod Zuchowski will also be competing in their respective 800m races tomorrow night at Melbourne University as part of the Miler's club meet. Good luck to both athletes.

And on Wednesday 20th February the winners of the Victorian Sports Awards will be announced. Jemima Montag is a finalist for 2 awards – Victorian Young Athlete of the Year and Victorian Female Athlete of the Year. Go Jem!
