

Maccabi FC – 41 years on and still going strong!

Maccabi FC – 41 years on and still going strong!

And now we are looking forward to the next stage of successful Football for our community!

We are extremely proud of what the club has achieved in the last few years and can't wait to see what the future brings. Below is a snapshot of the milestones that have been reached:

- Establishing the club as one of the leading community football clubs in Melbourne
- Being awarded a 5 out of 5 star club rating by Football Victoria
- Increased female participation across all age groups at the club
- Creating a boys stream of development teams
- Regularly competing in interstate competitions
- Advancing the womens team to the highest league in community football
- Establishing our Little Strikers as a permanent fixture on the calendar
- Many of our teams competing in high divisions in FV competitions
- Having one of the best football administrations in Victoria
- Opening up our club to older members of the community through Walking Football
- Beginning the pathway of Maccabi Futsal

And the list continues as we look ahead with other exciting projects on the boil

- A Maccabi Vic vs Maccabi NSW tournament in 2020
- Tying up partnerships with 2 prominent football clubs in Israel
- Improving the levels of female football at the club
- Working with council to establish night games at Caulfield Park as well as replace the old centre bunker with new modern facilities
- Working with council on establishing football grounds at Caulfield Racecourse in the future

So with all of these projects, present and future in mind we would like fresh ideas and dynamic people to get on board and join the club that we proudly call Maccabi FC.

We feel that we are on the precipice of offering all members of our community (young and old, 5 – 85) exciting opportunities to participate in our programs but we also need proactive and innovative thinkers to get on board!

As we attempt to keep up with the ever changing environment in which we live so is our Committee changing and are open to ideas at how we might restructure and increase effectiveness. Without younger committee members the rest of us slowly lose touch with what the membership wants and is capable of doing.

There are a few key positions that we will need to fill for the coming season as some of our amazing volunteers have after many, many years of support decided to retire. Positions like honorary treasurer, sponsorship management, volunteer management, medical adviser etc.

We particularly want to see more females on the committee for their valuable input.

To apply for a position on the Maccabi FC Caulfield committee send an email to info@mfcc.com.au and lets start talking.

For more insights into becoming a committee member/volunteer click here and read what our president has to say about it <https://aaavic.org.au/we-chat-president-maccabi-football-club-about-volunteering>
