Maccabi Vets v Mentone Grand Final edition!

It was the top of the table clash between the Vets, courageously led by Thomahawk Grunny, versus Mentone, led by Honga and Bubba.

Mentone had only lost 1 game all year and were the clear favourites. Sportsbet had them at 5 to 1 ons. No one gave the Vets a chance. But that didn't stop the Vets. Thomahawk delivered his best pregame address this year and got the team pumped for what was about to come.

The first half was spellbinding. The stick wizardry of Browndog was remarkable to watch. Boggsy Bogartin dominated. The Insolventator Kanevsky ran up and down the wing with ease and Eyal Geiger was suburb too. Long Arms Harley and Pistol Pete were fantastic. Game Changer came on and ran his opponent around. Down back Big Dave Birnbaum was solid as was The Professor Berhang. Fill In goalie Thomahawk Grunny was amazing in goals and swatted balls away as they came. The first goal came from Mentone off some great forward play and by half time it was 1-0.

The second half was neck and neck. The Evergreen Rosner pumped the ball forward at every opportunity. Sensational coaching from the Convertible Seklar on the sidelines allowed players to come on and off. Dazzling Diamond Beville was amazing and set up many forward plays. Strong support from The Scalpel Flicker was noticed and appreciated. With 30 seconds left Kramps Krampel scored a ripping goal off a short corner to level the game.

Siren went. 5 Vets legends stepped up. Browndog, Pistol Pete, Kramps Krampel, Big Dave and Boggsy Bogartin for the shootout. Tense time for the Vets without the regular keeper so Tomahawk had to step in. The crowd were on their feet screaming.

The Vets lost the shootout 3-2. However, the game was played in great spirit and the Vets came off with their double chins held high and know that they gave it their all.

A huge Thank You to everyone who came out to watch. It really helped the team and was appreciated. Thank you also to Swardy for being a brilliant keeper all season.

The above article, unlike all others this year is absolutely true unlike Boggsys Creek which is only semi true.

U16 Grand Final

On a cold wet Melbourne Sunday, Maccabi u/16 hockey team travelled over the West Gate Bridge to face Werribee in the Grand Final. Werribee started as favourites after winning their last encounter against Maccabi and began the game with a goal in the first 5 minutes. Maccabi responded with a perfectly executed penalty corner but Werribee's forwards were able to penetrate Maccabi's defence far too easily to score twice more while chances Maccabi created went begging. Half time score 3 - 1.

Maccabi began the second half strongly scoring a field goal to reduce the deficit but the superior skill and ball control of several of Werribee's players was ultimately the difference as they ran out winners 5 - 2.

Best Players: D. Lindros, J. Bell, J. Irons
