Antony 'Cooky' Klooger is a popular and much loved member of Maccabi – His Maccabi sporting career started at age 6; spanning decades in Junior and Senior Football with incredible success as a Player, Leader Captain and Coach, Cricket, Table Tennis – before trying his hand at Lawn Bowls. His passion and dedication to the sport now has him heading to the Maccabiah Games in July representing Australia in Lawn Bowls.

Cooky began Lawn Bowls just over 2 years ago at age 46 at Armadale Bowls Club to join his family who were also bowling at the club. "Unlike football where you need to be in pristine condition, lawn bowls can be played by anyone of any age. It is an inclusive sport and like any sport brings a community together. **"I encourage anyone and everyone to have a go. It's quite addictive and extremely competitive"**.

**Please join us in celebrating an event which brings all sports
people together in some friendly competition.**

The Round Robin competition is open to all Maccabi Victoria Clubs, (including Boards, Hall of Fame Members, Life Members, families & Friends of Maccabi)

**This event is kindly hosted and sponsored by
Armada Bowls Club @ South Caulfield**
