

Make-A-Wish® Australia and Israel Shared Appeal, invite you to

BE INSPIRED BY NOGA'S JOURNEY

Noga Barkan, an Israeli rhythmic gymnast was preparing for the 2016 Rio Olympic Games when she was diagnosed with cancer. Her dream to take part in the Olympics was crushed, but her wish to go to the Olympics to support her teammates was granted by Make-A-Wish Israel. And then, in January 2018, Noga achieved another amazing accomplishment - she led a team up Mount Kilimanjaro to raise funds for Make-A-Wish Israel. Noga has also volunteered for the Israeli Army and was recently honoured for her service. She now trains rhythmic gymnasts in Israel.
