

## ROUND 12 – Saturday 13<sup>th</sup> July – Match Report AJAX Jackettes vs Albert Park

After losing 3 in a row, the Jackettes were looking for a win as they made the short trip away to Albert Park.

With numbers low, the Jackettes began the game brightly in difficult conditions.

Kicking with the wind in the first quarter AJAX had most of the play, but couldn't find the big sticks. Four behinds for the term including a few gettable chances.

Smart made a welcome return and was controlling the rucks. Marget, Abelman and Caplan were doing well in the midfield and the backline led by Abraham, Gabriel and Mrocki were proving to be impossible to get past.

The girls needed something special and got it right on the half time siren. Sam Hall, playing her first game back since an ankle injury, marked around 25 metres out. Kicking after the siren and against the breeze, she got onto a torpedo and it sailed straight through. In one of the most uplifting moments of the season, the momentum was enough to inspire our girls to victory.

Excellent games by Grek, Kurland and Bryer in defence, Nankin and Smart in the midfield as well as Blum and Mel up forward, capped off a great day for the Jackettes.

**Jackettes** – 1.8 (14) def Albert Park 0.1 (1) – Goals : S.Hall Best: J. Gabriel, H. Mel, T. Abelman, L. Nankin, M. Grek, M. Smart

Next the Jackettes are home against De La Salle, Albert Park at 11:00 AM on July 20.
