

MACCABIAH SUPPORTERS - ACCOMMODATION AND OPENING CEREMONY UPDATE

1. Accommodation Rates - expiring soon - call THIS WEEK!

As previously advised, we have arranged special rates at a number of hotels in each of Tel Aviv, Jerusalem and Haifa. Those rates are expiring at the end of this week, so please if you have not done so already, contact Lina Maddalena at

Travelcall on lina@travelcall.com.au or 03 9867 1800 this week to finalise your accommodation.

2. Supporter Support

If you have arranged your own accommodation, but would still like to be an official Australian Supporter, with access to the Australian Supporter Coordinator on the ground in Israel as a resource to what's going on, you can [register and pay here](#). We have put this in place so that Team Managers are able to focus on the athletes, and you have a point of contact to assist you when required. Should the numbers dictate, we will add further resources.

3. Opening Ceremony Tickets

We are still awaiting final advice regarding the process from Israel. Maccabi Australia has block booked seats in a number of sections in the stadium. They are all around each other, but at different price points so you can choose. As soon as we receive the information from Israel, which we hope is within the next week or two, we will share with you the link so you can go onto the Israeli ticketing website and purchase your seats from those areas we have blocked.

To arrange transport you will need to book separately with us, via this website. We will provide that link when we circulate the ticket purchase link.

4. Supporters of Masters Athletes

Some points of clarity for Masters Supporters who will be staying with athletes in the Games accommodation:

- You will need to purchase an Opening Ceremony Ticket.
- You need to ensure that your athlete's team manager is aware that you are looking to be accommodated with the athlete
- There is a flat fee associated with being a Masters Supporter, which will be managed via the Australian Maccabiah Team office
- You will have access to Games transportation, events other than the Opening and medical insurance (this should not take the place of travel insurance). This gives you access to the local doctors in Israel.

5. Tournament Draw

It is important that you are not waiting to find out a sport's draw before making a final decision about accommodation. This information is not made available to us until May, possibly June after a public draw is conducted. Whilst you will find accommodation, it may be at an increased price or at a reduced standard, so please confirm things now to avoid disappointment.

For any further information, please contact [Elana Aarons](#), 2017 Australian Maccabiah Team Supporter Coordinator

2017 AUSTRALIAN MACCABIAH TEAM UNIFORM TRY-ONS
