Strategic Plan

2017 - 2019

Strategic Priority 1: Enhanced Participation

Expanded opportunities for increased participation in a wide range of sporting and active recreational opportunities.

- 1.1 Increase the involvement of junior (under 18) participants
- 1.2 Upskill all coaches and volunteers to help facilitate the delivery of high-quality inclusive programs
- 1.3 Develop opportunities and pathways for supporting roles
- 1.4 Explore opportunities for Maccabi Victoria All Abilities members in the NDIS environment

Our core values:

RESPECT

Strategic Priority 2: Community Integration

Strengthened integration and inclusion of Maccabi All Abilities members within the Jewish community through sport and active recreation.

- 2.1 Identify opportunities on a local, national and international level for Maccabi All Abilities members to participate in sport and active recreation.
- 2.2 Connect with the wider Jewish community, all abilities community and Maccabi networks to identify and deliver opportunities for involvement and integration.
- 2.3 Increase community awareness through involvement in education and advocacy activities.

INCLUSION

Strategic Priority 3: Club Education

Strengthened education of Maccabi clubs focused on increased integration in a variety of roles for Maccabi members of all abilities.

- 3.1 Develop a good practice resource for all Maccabi clubs focusing on working with members of all abilities.
- 3.2 Work closely with the Maccabi Victoria Pathways coordinator.
- 3.3 Build strong partnerships with a wide range of Maccabi Victoria clubs to identify and facilitate a range of participation opportunities.

Our mission: To increase access and participation opportunities for Jewish people of all abilities in sport and active recreation.

Our vision: More Maccabi members of All Abilities participating in inclusive and integrated sporting and active recreational opportunities on a regular basis.

Our Keys to Success:

Governance and Stakeholders: Strong and effective governance supported by significant stakeholder engagement and input.

Communication and Marketing: Accessible communication and marketing for all key stakeholders.

Relationship Building: Establishment and maintenance of a wide range of partnerships and relationships including staff, volunteers and organisations with shared values.

Capacity Building: Building the Maccabi All Abilities organisational capacity to ensure long term sustainability.

Member Protection: Member protection and safety in all activities underlying the Maccabi All Abilities banner.

Our key measurable targets during this time will be:

- * Increased opportunities for involvement for junior members (under 18).
- * Development of training and education processes for members of all abilities to undertake non-playing/support roles for mainstream clubs.
- * The integration of a customised disability best practice resources into Maccabi Australia's online learning platform.
- * Continuous offering of at least 3 opportunities per week for members (during non-holiday times).
