9. Uniform

When registering, new members are required to purchase a uniform that comprises a singlet and shorts in store in addition to the registration.

Current members requiring a different size with a specific number need to purchase the singlet and specify the number before registrations close for the next season otherwise they can't keep the same number

Consider the size your child requires when ordering so they will at least get a couple of seasons out of it.

Sizes are in children's sizes and true to size. If unsure what size your child needs go a size up.

10. Team Selection

The number of teams that Maccabi Basketball will enter into competitions (and the number of players per team) will be determined by the following factors:

- Number of registered players (minimum of 7 players for team in any age bracket)
- Number of coaches
- Access to facilities to train

The club will not be holding tryout sessions for this season. Placement will be based on player information that has been collected over the past 2 seasons from the coaches and the directors of coaching.

11. Team Manager

Saying "yes" on your registration to getting involved and helping out. For each team to run smoothly, it is essential that one parent perform the role of Team Manager. This involves:

- Facilitating communication within your team
- Scheduling training and creating a parent roster for training supervision
- Scheduling match day events and rostering parents for scoring

This is a simple but essential role that requires minimal time but makes an enormous difference to your child's team for the season. The Club supports each Team Manager and is always available to ask questions or help out.

If a Team does not have a Team Manager by season start, a parent will be randomly assigned for each team, as training can not commence without a parent supervision roster in place for training.

12. Announcement of Teams

The announcement of teams will be done via Maccabi Basketball (Vic) Team App no later than September 14th 2018. You will receive notification via email and Team News when the team lists have been released for the season. Everyone who has registered for the season will receive this notification. The lists will also be stored in the Documents section of Team App.
