

Year 11/12 Student Support

Support for Student/Athletes at the 2017 Maccabiah Games

VCE/HSC/WACE student athletes will receive additional support during the Games preparation period and during the Games itself.

The Games will be held during school holidays at the end of term 2 in 2017. (Term 2 finishes Friday 30/06/17 & Term 3 commences Monday 17/07/17). This timing is ideal for students as very little school will be missed.

Strategies to Support Student Athletes

- Athlete Development Workshop (dates TBC): “Balancing Sport and Education” targeting school aged athletes and their parents. The objectives of this session are to provide practical skills in planning proactively in regards to school, university & key stakeholders, effectively communicating with school, managing absences effectively.
- Student athletes may delay departure if they have a SAC on 29 or 30 June 2017 (subject to travel restrictions)
- Student athletes may depart Israel on completion of sporting commitment (16 July 2017, subject to travel restrictions)
- All are expected to attend pre-camp – mandatory requirement
- During pre-camp, supervised study sessions will be provided
- During the Games, in Junior accommodation, we will endeavour to provide a quiet study area (to be confirmed)

Elite Athletes and Performer (EAP) Bonus Points - UNSW

- Students can be considered for EAP bonus points for undergraduate study at UNSW. The EAP Program may award bonus points to high school leavers who have excelled in sport at an elite level. Activities and/or commitments must have been undertaken in years 11/12.
