

Maccabi Victoria and Maccabi Australia have moved!

If you have Maccabi Victoria, Maccabi Australia or a Maccabi club with our head office as the address registered for your **Working With Children Check**, you will need to update this information. Unfortunately we are unable to update these details as an organisation – they need to be done by individual cardholders.

To do this: Visit <http://www.workingwithchildren.vic.gov.au>

Click **'update my details'**

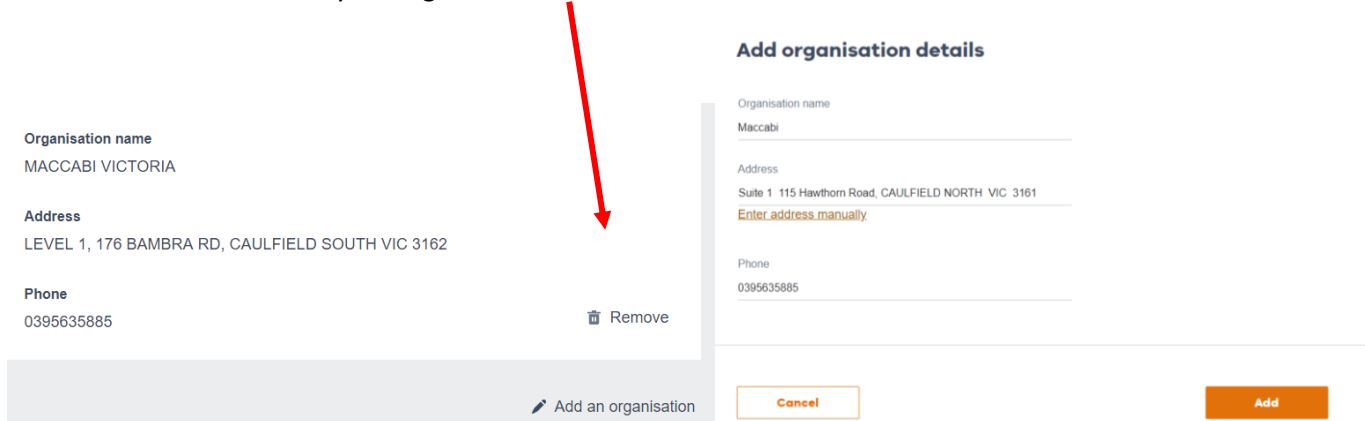

You can either update your details through MyCheck or Service Victoria.

To use **MyCheck** you need to log into your account (you may have registered for this already).

To use **Service Victoria** you need to provide your card number, your name and date of birth and they will send you a security code to log in with.

Once you have logged in there will be a list of organisations you have registered with.

Remove Maccabi as one of your organisations

Then **add** a new organisation.

Our address is **1/115 Hawthorn Rd, Caulfield North VIC 3161**. Make sure you tick the declaration and 'update'.
